FAQ

Do I need to pay a deposit?

Yes. A non-refundable 50% deposit is payable upon booking. The remaining 50% is payable by the earliest project completion date.

Do you accept payment plans?

Yes, however there are conditions to this.

- 1) The total amount due must be paid up in full no later than 1 week prior to the latest project completion date as stated on the contract.
- 2) Any payments of more than 2 are subject to a 5% surcharge on each payment.
- 3) No part of the project will be returned until the balance has been received in full.

Can I request a specific designer?

Yes! (For cartography and illustration) Feel free to browse our website to familiarise yourself with our designers. Please mention on your booking form if there are any artists in particular you'd like to work with.

What payment methods do you accept?

We accept Debit card, Credit card, Bank transfer, Wise, and PayPal.

Will I be involved in the process?

Absolutely! This isn't a 'you pay and we just do it' situation. Your opinion is really important to us, so before we even start your project, we'll take the time to understand your vision by providing you with a detailed questionnaire. You'll receive updates throughout the project during any applicable sketching stages for approval.

How long does everything take?

There are a number of factors to consider. Firstly, which package you choose. Secondly, the artists' schedules. If you have a set schedule, please mention this on your booking form and we can assign the artists whose schedules best accommodate yours.
